

HIGH COURT OF MADHYA PRADESH

PRINCIPAL SEAT – JABALPUR

No. Reg(IT)(SA)/2025/570

Jabalpur, Dated: 28/03/2025

// CLARIFICATION //

Sub:- Publication of clarification /reply of Pre-Bid meeting dated: 10th March, 2025 regarding tender for Supply, Design, Development and Implementation of RFID System at District and Tehsil Courts in the State of Madhya Pradesh with reference to tender no. Reg(IT)(SA)/2025/295, Dated:24.02.2025.

Ref: - Pre-Bid Meeting dated: 10thMarch, 2025 and tender no. Reg(IT)(SA)/2025/295, Dated: 24.02.2025.

Reply / clarifications to the pre-bid queries

On the basis of queries submitted by the bidders, the reply /clarifications are enumerated as per details given below for reference and further necessary action at vendor side:-

Query No.	RFP Reference (Section No. /Page No.)	Content of RFP Requiring Clarification	Query of the bidder / remarks of the bidder	Reply / clarification to the query /remarks by the High Court
1. M/s POXO RFID AUTOMATION				
1.	Page No.40	Technical Specifications	Could you please provide the full specifications for this tender?	It is general specifications. And, more clarifications are mentioned in this document. Further, the vendor may visit High Court of Madhya Pradesh, Jabalpur for details.
2.	Page No.30 to 32	Requirement	In the tender document, different quantities of your requirement are mentioned in Phase-1, Phase-2, and Phase-3, whereas the quantity mentioned in the BOQ is different. Therefore, please provide your exact requirement along with the exact quantity.	It is updated in this clarifications / document.

HIGH COURT OF MADHYA PRADESH

PRINCIPAL SEAT – JABALPUR

No. Reg(IT)(SA)/2025/570

Jabalpur, Dated: 28/03/2025

3.	Page No.30	Item	In the tender document, you have mentioned a requirement for metallic tags and non-metallic tags. Could you kindly specify where you intend to install them?	It will be as per requirement of Malkhana Section of District and Tehsil Courts.
4.	NA	Work Flow	Could you kindly provide the workflow of the system and how it will function?	Please visit one of the "Malkhana" section at District and Tehsil Court.
5.	NA	Location	Could you kindly specify the location where the system is to be installed and also show the location once?	List is location is mentioned from page no. 63 to 68 of tender document. Visit may be made by the respective vendors as per requirement.
6.	NA	Contact Details	Kindly share the contact details of the concerned person so that we may reach out for further inquiries regarding this tender.	Office of Senior Registrar (IT-SA) High Court of M.P., Jabalpur. Shri Prateek Rathore (m): 9977700119
7.	Page No. 63	Annexure-II List of Locations	Please provide the exact total number of locations where the system is to be installed. On pages 63 to 69, it is mentioned that there are 51 Malkhana sections at Districts and 171 Malkhana sections at Tehsil Courts, making a total of 222 locations. However, you have requested 215 quantity readers. What does this mean? Please clarify.	Some are Link Courts. The number may vary depending upon the number of Court complexes. It may increase and the amount in same proportionate will be released to the vendor.
8.			You have requested 217242 metallic tags and 730746 non-metallic tags. However, you have not requested fixed readers in Phase-1. Additionally, in Phase-2, you have requested 215 readers	As of now total 215 readers are required. It may increase as per further requirement of the Districts and Tehsil Courts.

HIGH COURT OF MADHYA PRADESH

PRINCIPAL SEAT – JABALPUR

No. Reg(IT)(SA)/2025/570

Jabalpur, Dated: 28/03/2025

			again. So, do you require a total of 430 readers? If not, please provide some clarity on this. Also, specify the exact number of readers you require.	
9.	Page No. 30	Price Bid Table	You have mentioned a requirement for 215 fixed readers in Phase-2. Could you kindly clarify whether there is no requirement for readers in Phase-1, or if they are needed in the initial phase as well? Your guidance on this matter would be greatly appreciated.	Clarified in updated sheet of these clarifications.
10.	Page No. 40	Technical Requirement	Additionally, we recommend choosing UHF over HF, as UHF provides better range, performance, and efficiency for your solution.	Yes accepted. HF option hereby stands removed / deleted.
11.	NA	Data Entry Work	What will be your data entry process, and how will the data entry process for your items work? Please explain. For example, when a case arrives, the first step would be to create a file. At that time, the person at the tehsil courts/districts will make the initial entry. They will tag the item using the hardware and register the entry with the help of a desktop reader, which will update/save the data on the PC. After that, will you enter the same details on the web?	One time data entry of all properties /articles is to be done by the vendor. Afterwards, the entry shall be done at District and Tehsil Courts by Court staff on regular basis.
12.	NA	Access Point	For each tehsil, the users who are given access-should they have read-only access or read & write access when using the application?	Read & Write (both).
13.	NA	For PC Server	We will need a server PC at all locations, which will be connected to the internet and remain operational 24/7. The	Servers shall be provided by the High Court.

HIGH COURT OF MADHYA PRADESH

PRINCIPAL SEAT – JABALPUR

No. Reg(IT)(SA)/2025/570

Jabalpur, Dated: 28/03/2025

			buyer will provide this. Please confirm this.	
14.	NA	Internet Service	How will you provide the internet? Please provide some details.	Through FTTH, Broadband / Wi-Fi.
15.	NA	For Admin	Kindly let us know who will be the admin. How many admins will be needed? Will there be a sub-admin in each tehsil court/district and a main admin in the high court? What will be the process for this? Also, who will provide login access—the tehsil courts/districts or the high court?	It will be decided during roll-out of the project.
16.	NA	For Access	Will the login access work on a specific IP, or can it be accessed from anywhere? For example, should we allow access only from a designated IP, ensuring it works only from that location, or should it be accessible from anywhere as per your requirement?	It will be decided at SRS /SDD level.
17.	NA	For Access	Each tehsil courts/districts will have a sub-admin, and the main admin will be in the high court. Should the sub-admins have read-only access, or do they need read & write access?	It will be decided at SRS /SDD level / stage.
18.	NA	Data Maintenance	There will be a cloud server installed at the main High Court (HC), where all the data will be stored, and we will install it on the server PC. Do you want the process to be like this, or do you have any specific points to add? Please mention them clearly.	Yes.
19.	Page No. 41	Post-Implementation support (03) Years on RFID System	In point number 4 of post-implementation, it states: "Bidders should assign onsite support engineers at the primary site for the period of	Bidder shall provide onsite engineers at Indore, Jabalpur, Bhopal and

HIGH COURT OF MADHYA PRADESH
